

Data Privacy Policy

Website Privacy Policy Growth Mindset Institute

INTRODUCTION

Growth Mindset Institute (“we” or “us” or “our”) respects the privacy of our users (“user” or “you”). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our website and complete a survey including any other media form, media channel, mobile website, or mobile application related or connected thereto (collectively, the “Site”). Please read this privacy policy carefully. If you do not agree with the terms of this privacy policy, please do not access the site.

You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Site after the date such revised Privacy Policy is posted.

COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect on the Site includes:

Personal Data

Personally identifiable information, such as your name, email address, and telephone number, and demographic information, such as your age, gender that you or your authorised representative voluntarily give to us when you choose to participate in various activities related to the Site, such as online survey responses. You are under no obligation to provide us with personal information of any kind, however your refusal to do so may prevent you from using certain features of the Site.

Derivative Data

Information our servers automatically collect when you access the Site, such as your IP address, your browser type, your operating system, your access times, and the pages you have viewed directly before and after accessing the Site.

Third-Party Data

Information from third parties, such as personal information or network friends, if you connect your account to the third party and grant the Site permission to access this information.

USE OF YOUR INFORMATION

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Site to:

- Administer surveys.
- Compile anonymous statistical data and analysis for use internally or with third parties.
- Create and manage your account.
- Email you regarding your account or order.
- Fulfill and manage purchases, orders, payments, and other transactions related to the Site.
- Process payments and refunds.
- Resolve disputes and troubleshoot problems.
- Respond to product and customer service requests.

DISCLOSURE OF YOUR INFORMATION

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

By Law or to Protect Rights

If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

Third-Party Service Providers

We may share your information with third parties that perform services for us or on our behalf, including payment processing, data analysis, email delivery, hosting services, customer service, and marketing assistance.

With your consent, or with an opportunity for you to withdraw consent, we may share your information with third parties for marketing purposes, as permitted by law.

Research and Academic Institutions

We may share your information with our research partners, in which case we will require those institutions to honour this Privacy Policy. Research partners will be required to gain your consent to participate in a research program and disclose to you how your data will be used.

SECURITY OF YOUR INFORMATION

We strive to protect your personal information. For security of transactions, we use the Secure Sockets Layer (SSL) protocol, which encrypts any personal information you enter into registration forms on the Application. The encryption process protects your information, by scrambling it before it is sent to us from your computer. We also make commercially reasonable effort to ensure the security of your personal information on our system. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, we cannot warrant the security of any information you transmit to us.

Account Information

You may at any time review or change the information in your account or terminate your account by:

Contacting us using the contact information provided below

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases.

Emails and Communications

If you no longer wish to receive correspondence, emails, or other communications from us, you may opt-out by:

Contacting us using the contact information provided below.

If you no longer wish to receive correspondence, emails, or other communications from third parties, you are responsible for contacting the third party directly.
